

Packaging Vertical Markets

How to grow your existing
client's sales

Packaging is
like asking;
Do you want
Fries with
that?

Vertical Market Segments

- Retail
- Healthcare
- Restaurants & Food Service
- Hotels, Resorts, Casinos
- Beauty & Jewelry
- Marketing Segments
- Ecommerce

A retail store window display for outdoor gear. The display features wooden shelves and metal racks holding various items including hiking boots, t-shirts, hoodies, hats, and backpacks. A large blue banner on the left reads "Retail Market". The background shows a window looking out onto a street with a "PASS RD" sign.

POP Displays & Packaging

Healthcare Market

Hospital Opportunities

Once branded these items take on more than just a supply item. It allows the purchaser to use marketing dollars in addition to their supply budget giving the hospital the look of a upscale facility. Most often when you brand a hospital they are more likely to keep the product with you.
